iBOS: INTELLIGENT BUSINESS OUTSOURCING

At iBOS, we specialize in providing a wide array of medical services ranging from EMR solutions to full-scale medical billing. iBOS is HIPAA compliant and our Information Management Security System System (ISMS) is also internationally certified (ISO27000) through extensive controls to preserve confidentiality, integrity and availability of information assets. In addition to tight security measures, iBOS has a talented pool of highly motivated professionals from the healthcare and finance industries to serve all of your needs. We can provide higher productivity and enhanced client service quality through the use of proven methodologies, advanced technology and experienced consultants.

"I have nothing but good things to say about iBOS. With the continuation of our weekly document type refreshers, there has been nothing but growth from the iBOS team. I have complete faith that our relationship will continue, and we will see the full benefit of our union in the months to come."
